SEEK MORE POWER

Commissioners Would Revoke Plumbers' Licenses.

DEFECTIVE WORK DISCOVERED

Passage of Bill Now Pending Before Congress Urged Because Courts Have Held That Persons Once Licensed Cannot Have Permits Suspended When Law Punishes.

In a letter to Senator Gallinger, chairman of the Senate District Committee, the Commissioners yesterday urged the passage of the bill pending before Congress to authorize them to suspend and revoke certain licenses and permits.

That a law of this kind is needed is evident from the large amount of defective work discovered after the inspection of plumbing and gas fitting, and those businesses which involve the issuance of permits under any health, building, electrical, or police regulation.

Hard to Get Evidence.

The Commissioners state they have found it hard to get evidence for conviction in courts of persons who violate the terms of their licenses or permits, and yet they have knowledge the laws and regulations are persistently violated, especially by plumbers and operators of automobiles and others.

In the case of plumbers, the courts have held that persons once licensed cannot have their licenses suspended or revoked, where any other form of punishment is provided by law.

In the past it has been the purpose of the Commissioners before granting a license which requires an examination to know the candidate has a knowledge of the laws and regulations governing the trade or business.

Work Covered Up.

But it may afterward develop that while the applicant has the necessary technical education, his character is such that he cannot be trusted to comply with these, especially in the case of plumbing and gasfitting, where a portion of the work can be covered up before being inspected.

The bill in question will give the Commissioners the authority to suspend or revoke any license or permit granted by them. It is also provided this authority shall be exercised only after the failure or neglect of the licensee to comply with the conditions.

NYE TAX BILL CRITICISED.

"Theoretical Method Impracticable of Execution," Say Commissioners

Branding the Nye bill for the taxation of intangible property as "a theoretical method of taxation that is impracticable of execution," the Commissioners yesterday voiced their opposition to this bill and the methods which it advocates.

Their letter to the committee criticizes the bill from beginning to end, and quotes numerous references and authorities to uphold their stand. Every scheme that has been attempted for the taxation of tangible assets bears out the Commissioners' theory that "those who do give the assessor a fair and truthful account of their personal property are regarded as good-natured oddities."

BLUEFIELDS ATTACK STOPPED.

Notice Served on Commanders of Two Nicaraguan Forces.

Because the lives and property of Americans would be endangered, the proposed bombardment of Bluefields, Nicaragua, will not be permitted, nor will any fighting be allowed in the city.

Notice to this effect has been served on the commanders of the Madrid and Estrada forces and on Irias, in command of the steamer Venus by Commander Gilmer, of the Paducah.

Mr. Moffat, consul at Bluefields, has telegraphed that the Venus, with 200 men and mounted guns aboard, has arrived at Bluefields. The steamship Dictator, of New Orleans, was entering the port when the telegram was sent and notice of the blockade was being served on her.

GIVE MUSICAL PROGRAMME.

Madison Hall Seminary Holds Graduating Exercises.

Final exercises of commencement week took place at Madison Hall Seminary last evening. A musical programme was given by Felix Garziglia, of the music faculty, and Miss Ruby Ted Thurmond, of the vocal department.

Mr. Winston, president of the school, made the address to the graduates and conferred the diplomas on Miss Cornelia Thompson, of New Jersey, and Ruby Ted Thurmond of Texas. A certificate in art was awarded Mary E. Cassell and second prize to Celeste Vinson. The programme was followed by a reception to the graduates and their friends.

Friend Order Against Negro.

Postmaster General Hitchcock has issued a fraud order against David B. Gaines, negro, of Tampa, Fla., for sending circulars through the mails advertising himself as a phenologist and assessor of rare accomplishments. It is charged Gaines advertised to members of his race that he could put them on the road to happiness for sums ranging between \$10 and \$25.

Watch for a City at Randle Highlands.

Keblinger on Boundary Board.

Lewis C. Hill, supervising engineer of the Reclamation Service, will be succeeded as a member of the joint commission to decide the distribution of the waters of the Colorado River and the Rio Grande by Wilbur Keblinger, secretary of the international boundary commission, which settles ordinary boundary questions between the United States and Mexico.

JOHN C. DAVIS FOUND GUILTY.

Evidence Shows He Obtained \$12,000 Under Fraudulent Pretences.

John C. Davis, charged with false pretences and embezzlement, by which means it was shown that he had fraudulently obtained from Nellie McKewen, of Cincinnati, Ohio, and Dr. R. Lee Watkins, of Alexandria, Va., \$12,000, was found guilty yesterday.

Davis was removed to jail to await the disposition of a motion for a new trial.

HAGUE DAY CELEBRATED.

Pupils Are Imbued with Significance of Peace Conference.

Hague Day, commemorative of the first international peace conference, was celebrated yesterday by the public school pupils of the District. The programmes consisted of peace addresses, patriotic songs and recitations.

Representative Bartholdt, of Missouri, addressed the Western High School students on "International peace." He spoke of large navies and the burden that the cost and maintenance of these vessels put upon the people. Miss Edith C. Westcott, principal of the school, presided.

At Business High School, Mrs. Ellen Spencer Mussey spoke of the first peace conference and deplored the cost of war and of preparations for war. Mrs. Lyman E. Swannick, also spoke. Principal Allan Davis presided.

Emory Wilson, principal of Central High School, addressed his pupils on the significance of the day. A programme of music was a feature of the exercises.

CANOE RACES TO BATTLE ON FOURTH OF JULY

Programme Will Include Five Unique Races.

Adrian Siser yesterday sent to Commissioner Rudolph, chairman of the committee on the safe and sane celebration of Independence Day, the following programme of the Interclub Canoe Association regatta, to be held on July 4, in connection with the numerous other athletic events.

These canoe races and contests include the following in the order given: Novice singles, novice doubles, association championship singles, association championship doubles, club fours, mixed tandem, tail-end race, upset race, tilting contest, war canoe race, and the broom paddling race.

The first six of these races are real contests of speed and skill in the management of the craft, while the latter five are more on the humorous order. In the tail-end race the contestant sits himself in the rear of the canoe, facing backward, so that instead of having almost the entire length of the draft in front of him he has only about two feet of the rear of the boat.

This throws the bow of the boat high into the air. The contestants will find the canoe will turn in circles.

In the upset race, the contestants are required to turn their craft over in the water, while about half way down the course, and then climb in and proceed.

The executive committee will present to the winner of the war canoe race a silver loving cup, now in the possession of the association, and to be raced for at each annual meet. This cup will become the property of the club which wins it at three annual regattas.

It has been further ordered the association adhere strictly to its rule providing that only canoes of an accepted cruising model be used in the association events. Association championship events are open only to members of the Interclub Canoe Association, the other events being free to all.

COMMENCEMENT OBSERVED.

Martha Washington Seminary Gives Musical Entertainment.

A musical entertainment to mark the commencement season was given last evening at Martha Washington Seminary.

The programme included a duet by Miss Pritts and Miss Anderson; readings by Miss Davis and Miss Neumuller; piano solo, Miss Thompson; songs, Miss Helen Arnold Nettleton, instructor in the vocal department; reading, Miss Glenna Smith; Timini; piano solo, Miss Grace Adele Freedy; readings, Miss Snyder; piano solo, Miss Anderson; readings, Miss Davis and Miss Neumuller; piano solo, Miss Pritts; songs, Miss Helen Arnold Nettleton, and piano solo, Miss Grace Adele Freedy.

Gov. Crothers Guest of S. A. R.

Gov. Crothers, of Maryland, will be the guest of the District of Columbia Society of the Sons of the American Revolution at their outing at Annapolis Saturday.

Former President General Judge Henry Stebbins and former Gov. Edwin Warfield will also be guests. The Sons will leave in special cars at Fifteenth street and New York avenue northwest at 9:30 a. m. Luncheon will be served at noon at Carver Hall.

MARRIAGE LICENSES.

Louis C. Hylbert, 22, and Charity M. Runyan, 26, of Richmond, Va. Rev. W. W. Barnes.

Gustus C. Galbreith, 27, of Richmond, Va., and Mary L. Kubitz, 22, of Goodland County, Va. Rev. R. W. Lowrie.

Ernest T. Kelley, 24, of Hanover County, Va., and Alice L. Sleson, 19, of Prince William County, Va. Rev. J. B. McLaughlin.

Ellisa R. Payne, 21, and Myrtle A. Beach, 27, of London Valley, Va. Rev. E. Marshall.

Little H. Stephens, 23, and Margaret A. Pfeiffer, 21, both of Baltimore, Md. Rev. R. W. Lowrie.

COLORED.

William G. Thomas, 24, and Hallie Thomas, 24, Rev. James Noonan.

Primus H. Slaughter, 25, and Mary Smith, 24, Rev. Thomas Hall.

Levi R. Waddy, 23, and Grace M. Harrison, 25, both of Baltimore, Md. Rev. Alexander D. Wilbanks.

Alexander Quickley, 28, and Mary Driver, 22, Rev. C. I. Irby.

PUPILS DRINK DREGS

Stanton School Well Water Causes Amazement.

BOARD ASKS INVESTIGATION

Members of Education Committee Lenth to Taste Indescribable Liquid Exhibited by Capt. Oyster. New Members Announced for Committee on Dr. Kober's Prizes.

Deplored insanitary conditions in the drinking water used by the pupils of the Stanton School, were revealed to the board of education yesterday, and caused that body to order an immediate investigation.

Capt. James F. Oyster, chairman of the board, exhibited a jar of water taken from the well at the school. Several of the members made guesses as to what the murky liquid might be, and when he announced that it was drinking water consternation reigned.

Unpalatable Beverage.

"That's a sample taken from the well at Stanton School, and is exactly what our pupils are expected to drink," said Capt. Oyster, as he stirred the sediment of mud up from the bottom of the jar. "Do any of you care to taste it?"

Nobody seemed to be eager to sample the strange beverage, which, one member said, "looked like a cross between a chocolate ice cream soda and bad coffee."

After considerable discussion, during which the unsavory liquid was passed about gingerly, it was voted to have conditions investigated immediately by the health officers of the District.

Will Present Picture.

The well from which the water was taken was sunk a year ago, at a cost of several hundred dollars. Other wells were drilled at the same time at the Garfield and Congress Heights schools, and these also have proved unsatisfactory.

The Eastern Young People's Branch of the W. C. T. U. notified the board of its intention to present to the Mary School a large picture of Miss Frances Willard. The presentation will take place May 27, and a suitable programme will be given by the scholars.

C. F. Langworthy and Miss Miranda Tulloch were announced as members of the committee on awards for the \$20 prizes to be given by Dr. George Kober to pupils of the McKinley Manual Training School for excellence in domestic science. A member of the board of education will also serve on the committee.

Telephone Voted for Western.

It was voted to install a switchboard and system of thirty-one telephones in the Western High School.

Prof. A. E. Spanhoff, of the department of modern languages, was given permission to be absent from duty after June 6, in order that he may go abroad to study.

Letters of commendation from Gen. Bliss on the excellent appearance of the high school cadets in the recent parade were read to the board and forwarded to be announced to the various battalions.

MACADAM CLAIM DENIED.

Commissioners Oppose Bill to Give Contractor's Wife \$8,644.19.

According to the Commissioners' letter to Senator Gallinger, the District government is not in sympathy with the bill pending before Congress concerning the claim of Julia T. Hall for \$8,644.19, which she claims is due her for macadam laid under the direction of the former board of public works.

When the contract was awarded to Joseph Hall macadam was quoted at a fraction over 57 cents a square yard, while a little later the board of public works raised the figure to \$1.50. Mrs. Hall's claim, \$8,644.19, is the difference due her husband between the two rates.

MOUNT VERNON TO GET RELICS.

Several Minor Details to Be Resolved at Mansion.

Plans for the restoration of several minor details about the mansion were considered at the meeting of the regents at Mount Vernon yesterday.

It was announced that several relics have been presented to the association, and consideration of their acceptance will be taken up before adjournment.

The several committees which made an inspection of the mansion reported at the meeting yesterday that everything is in satisfactory condition. The board will be in session at least two days more.

Old Glory to Be Honored.

The anniversary of the adoption of the American flag, 133 years ago, will be celebrated June 14 throughout the country.

Governors of many of the States have already, by proclamation, ordered the recognition of the day when the Stars and Stripes shall be displayed from all State buildings and appropriate exercises shall be held.

Federal Treasury Clerk Dead.

Funeral arrangements are being made for Joseph B. Foxley, seventy-two years old, clerk in the office of the auditor for the Interior Department, who died Tuesday afternoon at his home, 1321 E street northeast, after a long illness. He was appointed to the government service in 1867.

Lieut. Col. Kilbourne Buried.

With military honors, the body of Lieut. Col. Henry S. Kilbourne, U. S. A., retired, who died suddenly from acute indigestion in his apartments in the Kenesaw, was buried in Arlington Cemetery yesterday morning. Funeral services were held at Gawler's chapel at 10 o'clock.

President's Yacht Overhauled.

Since her overhauling, the United States naval yacht Sylph, assigned for the use of President Taft, is looking fresh as new. The Sylph and the Mayflower are now the only two vessels, except the tugs, that are at the Washington Navy Yard.

Navy Year Book Out.

Facts set forth in tables prepared by Pitman Pulsifer, compiler of the Navy Year Book, show the United States leads the world in the total displacement of completed war ships, with the exception of Great Britain. Germany ranks next to this country.

PLACES OF INTEREST.

United States Naval Academy, Annapolis, Md.

Arlington National Cemetery.

PARENTS INDORSE ROUT OF FASHION

Plans for Simple Graduation Will Be Successful.

School Supt. Stuart's plan for simplicity in graduation exercises and other functions marking the close of the school year is meeting with approval among the parents of pupils, according to reports received yesterday by the board of education.

Resolutions indorsing the plan were received from the Takoma Park Children's Association. The association promised its support in the campaign, which Supt. Stuart is confident will be carried to a successful issue.

Though there has been some opposition to the plan by the "sweet girl grad," several of the classes have passed resolutions in compliance with the wishes of the school authorities for complete simplicity in the exercises and gowns.

Supt. Stuart has placed the matter in the hands of the several principals and they are conducting the campaign as they think best.

"We have not laid down set rules," said Supt. Stuart yesterday, "but are allowing each principal to choose proper methods for carrying out the board's wishes. The pupils seem to be taking to the idea, and already several of the graduating classes have voted against elaborate gowns, flowers, etc., for graduation."

"From present indications it looks as if the change would be carried out. I expect that next year a specific plan for the ceremonies will be adopted after a conference with the principals who have been successful in their campaign this year."

According to the District records, there have been numerous requests for this payment of this claim previous to this payment, and they have all been refused. Auditor Tweddale believes that this claim, if allowed, would establish a precedent whereby claims aggregating more than \$2,000,000 would have to be paid.

Dr. Porter Entertains Guest.

Rev. E. L. Krumm, Ph. D., D. D., pastor of the First Baptist Church, of Somerset, Mass., is the guest of Dr. E. W. Porter, president of Potomac University. Dr. Krumm is a delegate to the World's Sunday School Convention held in this city. He is a member of the executive board of the Fall River District Sunday School Association.

Is Constipation Curable? Try This Free.

I believe that thousands of people suffer needlessly from constipation simply through ignorance of what kind of a remedy to take. You cannot cure a chronic trouble by one flushing of the colon, as is the case when salts and purgative waters are used. And it is a well-known fact that cathartic pills, after the first relief, bind the bowels all the more. These things seldom do more than temporary good.

DR. CALDWELL'S SYRUP PEPSIN

A remedy that I have sold through druggists for a quarter of a century comes much nearer to the ideal method of cure. It is a liquid, mild, pleasant-tasting, and nonirritating. A baby can use it with safety, yet it is effective in the strongest person. It gives relief promptly, and by continuing its use briefly the stomach muscles are trained to again do their work naturally, and then you can dispense with medicines. To prove these claims I will gladly send a free sample bottle to any sufferer from chronic constipation, liver trouble, sick headache, heartburn, sour stomach, and similar digestive complaints. You have only to send me your name and address. After using the sample, if you then feel sure it is the remedy you have so long sought, buy it of your druggist at fifty cents or one dollar a bottle. Thousands of heads of families always keep it in the house, as it can be used by all.

DR. CALDWELL PERSONALLY WILL BE PLEASED TO GIVE YOU ANY MEDICAL ADVICE YOU MAY DESIRE FOR YOURSELF OR FAMILY PERTAINING TO THE STOMACH, LIVER, OR BOWELS, ABSOLUTELY FREE OF CHARGE. EXPLAIN YOUR CASE IN A LETTER AND HE WILL REPLY TO YOU IN DETAIL. FOR THE FREE SAMPLE SIMPLY SEND YOUR NAME AND ADDRESS ON A POSTAL CARD OR OTHERWISE. FOR EITHER REQUEST THE DOCTOR'S ADDRESS IS DR. W. B. CALDWELL, R. 125, CALDWELL BLDG., MONTICELLO, ILL.

I received a sample bottle of Dr. Caldwell's Syrup Pepsin and was so pleased with it I sent to the drug store and got a \$1 bottle and a 50-cent bottle, and my little girl four years old is in better health than she has ever been in her life. I have no more trouble with her bowels and stomach, and I thank you for your Syrup Pepsin. I cannot praise Syrup Pepsin too highly. My mother also is using it.—Mrs. Carrie Culler, 325 N. Notre Dame Street, South Bend, Ind.

We thank you for the sample bottle of Syrup Pepsin. It was so good, not get any more than that we would certainly keep it for the good it has done us. Our house is never without it, nor never will be as long as we can raise a dollar. It's the best of life in our home.—J. Henry Hankins, Junction City, Ky.

I received the sample bottle and am very much pleased with it. I have been suffering from chronic indigestion and constipation and had almost given up hope of ever being cured, but Dr. Caldwell's Syrup Pepsin has made a well marked improvement in me, and I write to acknowledge my gratitude to Dr. Caldwell and to the Syrup Pepsin Co.—F. M. Harrington, Free, Harrington Mfg. Co., Peoria, Ill.

VACATIONS FOR JUSTICES.

Change of Courts Confirmed, to Become Effective Next October.

The justices of the District Supreme Court have appointed the vacation time, and also confirmed the changes of courts by the various justices, to go into effect in October.

The month of July will be divided between Justices Stafford and Wright, the former sitting until July 16 and the latter until August 1. Justice Barnard will preside from August 2 to 17, inclusive, and Justice Gould from August 18 to September 2. September 3 Justice Anderson will return and hold court until September 10, to be followed by Chief Justice Claiborne until October 2.

With the convening for the fall term, October 4, Justice Stafford will preside in Equity Court No. 1 and in the Bankruptcy Court. Justice Gould will return to Equity Court No. 2, where he presided before serving two terms on the criminal bench, and will also hold the Probate Court. Justice Anderson will be transferred to Circuit Court No. 1, and Justice Wright will sit in Criminal Court No. 1, and Chief Justice Claiborne in Criminal Court No. 2. The chief justice will also have charge of District Court matters and the trials of contested will cases.

Tennesseeans Rally To-morrow.

The Tennessee Association, of Washington, will hold its monthly meeting in its new quarters, Pythian Temple, Ninth street between K and L streets to-morrow at 8 p. m. Justice Lorton, of the Supreme Court; Hon. J. M. Dickinson, Secretary of War; Senators Taylor and Frazier, and a number of the Tennessee delegation are expected to be present. The programme includes a speech on "Moonshine and moonshiners," by Hon. Robert S. Sharp; a historical sketch by the historian, and songs by the Washington Canoe Club Quartet. Hon. James D. Richardson will preside.
